 - Very Difficult (Double Black Diamond)
 - Extrem (Pro-Line)
 - Access Road/Trail
 - Special
 - Trail Head and Parking

The Oakley - Stevens Grove Park and related Weber River Conservancy projects have been made possible through a partnership with Oakley City, Summit County, and the Summit Land Conservancy. Numerous volunteer efforts have helped to construct this park, including maintenance provided the Land Conservancy, South Summit Trails Foundation, and other volunteer efforts. Please respect and protect this unique natural river and wildlife environment. Because of numerous wildlife found within these river bottoms, including adjoining agriculture and livestock operations, **ALL DOGS MUST KEPT ON LEASH!**
